SPECIFICATION PACKAGE

SITE MAP

New Houses: A plat of survey, signed and sealed by a State of Illinois land surveyor or engineer, is required for new houses.

Renovations to existing structures do not require a site map, unless the renovations include construction outside the footprint of the existing building.

Additions: Provide the dimensions of the lot or tract of land, the exact location of all existing buildings and structures, distances to property or tract lines, water supply and sewage disposal system on the drawing below. Identify adjoining street and show parking area if no garage is shown and driveway access. Mark existing and proposed buildings and structures. The Zoning Officer will verify your dimensions in the field. If the dimensions cannot be verified or there are boundary or encroachment issues, a signed/sealed survey may be required.
